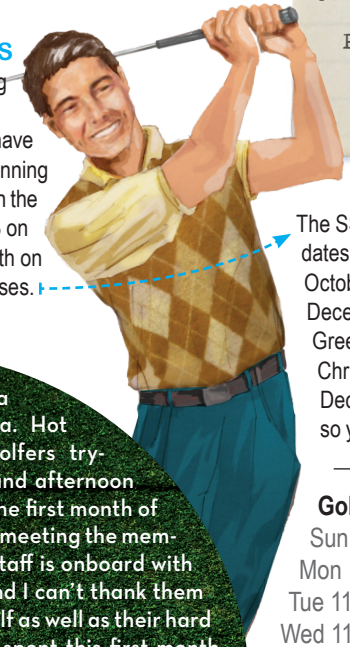
THE SSLGA HAS REMAINED ACTIVE

over the summer months. Recently members of the Executive Committee met with Club management to select finishes for the renovations of the pool area bathrooms. As we reported at the Closing Luncheon, the Committee had selected those renovations as our annual project using Association funds as well as the remainder of the Garage Sale funds. The Men's Golf Association has also committed funds for this project. It will be completed by October 1st and will bring a welcoming new look to all golfers and swimmers. We look forward to seeing all members at the Opening Luncheon on Tuesday, October 17th. We have a great 2017-2018 year planned so come back with enthusiasm and be prepared for lots of fun!

THE SSMGA WELCOMES

back our northern friends, hoping you all had a safe and enjoyable summer. A lot of improvements have been made to both courses, beginning with new tees on holes #2 and #12 on the Champion Course, and holes #10 and #13 on the Executive Course—and a new cart path on #2 as well. Big improvements to both courses.



The SSMGA Friday Scramble and Lunch dates are as follows:September 15th, October 13th, November 17th, and December 15th which is our Red & Green Tournament. The SSMGA Christmas Party will be Saturday, December 2, 2017. Mark your calendar so you don't miss out on all the fun.

A NOTE FROM OUR NEW GOLF PRO

So far it has been a typical summer in Florida. Hot and humid days with golfers trying to dodge the heat and afternoon thunderstorms. Within the first month of being here it has truly been a pleasure meeting the members of this club. The Golf Operations staff is onboard with the new direction that we are heading and I can't thank them enough for their acceptance towards myself as well as their hard work and dedication. We as a team have spent this first month finding out what areas we are the strongest in and what areas we are the weakest in. We will continue to grow as a team, work together and get better at everything we do. Our mission is to provide our members, their guests and the public with a positive and enjoyable golfing experience. We will achieve this by providing exceptional customer service and presenting a well maintained and manicured golf course. I look forward to what the future holds for us and all the opportunities that present themselves along the way. Please feel free to come in, say hello and introduce yourself if I haven't already met you.

—Tim Baker

WELCOME BACK!

We are pleased to announce the promotions of April Hackbarth and Brittany Cummings.

April will be promoted from Sales Support Assistant to Membership Director. April will be working with local realtors and the community to spread the word about our fabulous Club and increase our membership.

Brittany will be promoted from Dining Room Manager to Service & Member Relations Manager. Brittany will not only be in charge of all front of the house staff, she will also be continuing to create new and exciting member events as well as assisting member communications with all other departments in the Club.

Please join me in congratulating them!

—Wendi McAnn
